

Digital footprint

By kevin

Who I will be researching about

- Eminem

Question 1

- He does not really post much
- Once a week on Instagram
sometimes Facebook

Question 2

- Not really because he didn't post pictures of his personal things
- He would post animations and new upcoming songs
- Or album covers

Question 3

- He doesn't want you to see his personal life but just his songs
- No personal information
- Little face pictures
- Not many location tags
- Only people tags
- I agree with this

Question 4

- He is not a oversharer
- No personal just business posts
- This is good becuae it limits the information that the public can view
- I agree with this idea

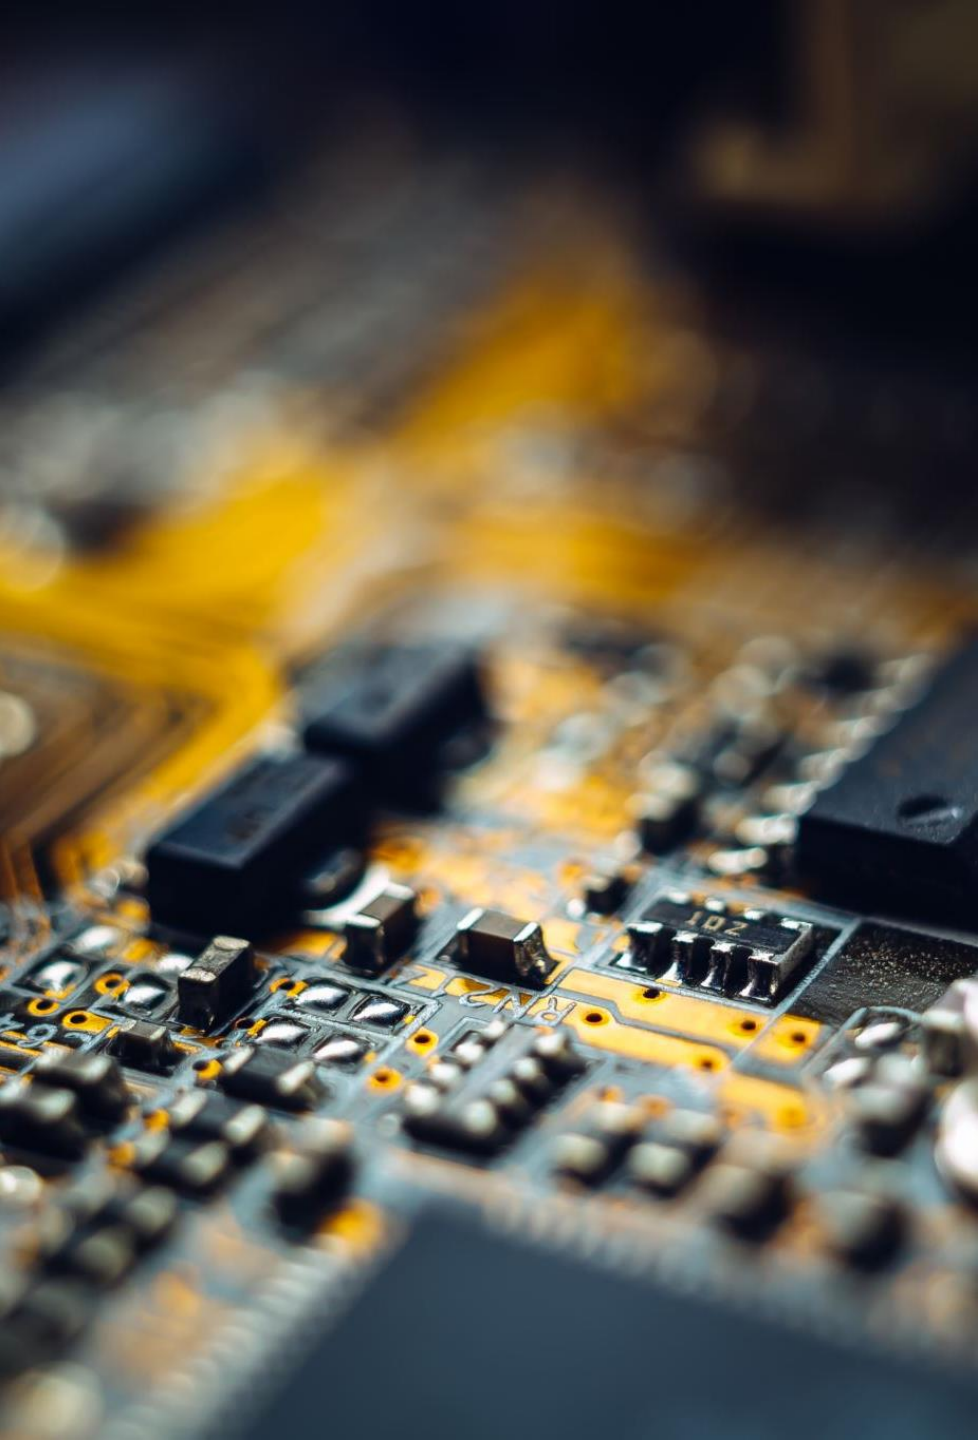

Question 5

I Don't have any negative things to say because he is safe online

No one can have many very personal information about his whereabouts and other things

conclusion

- He is very careful about his digital footprint
- He limits the amount of personal info that he gives away
- He doesn't tag locations
- He doesn't do dumb things
- Does not post often at all

The end
